

5 QUESTIONS TO ASK YOURSELF OR A LOVED ONE

Do you...

- have problems hearing over the telephone?
- turn the TV volume too high?
- strain to understand conversation?
- have trouble hearing in a noisy background?
- frequently ask people to repeat themselves?

Life is a participation event, and we want you to enjoy it to the fullest. Here at Hearing Associates of SC, we help you by providing a holistic approach to your hearing and healthcare needs. Together, we promote better communication and healthy hearing practices for our patients and the community. It has been our pleasure serving the Aiken community with the highest level of care for over 20 years.

believes that everyone in our community over the age of 50 should have their hearing screened annually as a part of an overall wellness program. If you, or one of your friends or family are over 50, we would be grateful for the opportunity to be your hearing health provider.

We offer multiple hearing technologies, and most major insurances are accepted.

We also offer custom industrial, musician, and swimming plugs.
